Mobius Cowl or Scarf

We have always been fascinated by the mobius style and technique. Once you've watched Cat Bordhi's very informative "Intro to Mobius Knitting" tutorial on YouTube you will be on your way to knitting a great scarf that can be wrapped double around your neck for cold weather or worn long and drapey! It's a fun and fast project and makes a great gift.

If you want a longer scarf just cast on more stitches. You can also make your mobius wider --just add an extra skein! This scarf is equally beautiful knit in just garter stitch.

Size:

60" long circumference x 7" wide

Materials:

2 skeins Plymouth Baby Alpaca Grande (100% baby alpaca)
US 10 or 10 1/2 /40" or 47" circular needles
1 Stitch Marker

Gauge:

3 stitches per inch

Technique:

Intro to Mobius Knitting tutorial by Cat Bordhi on you tube:
<http://www.youtube.com/watch?v=LvNtda7F2V4>

Directions:

Using Cat Bordhi's mobius cast on technique, cast on 150 sts. Place marker and join careful not to twist the stitches. See Cat Bordhi's tutorial for directions.
Knit the 1st st tight to avoid a gap at the join. Knit the first round as directed by Cat.

Important: Round begins when you get to the stitch marker.

Knit for 3 rounds.
